

# CONWAY HALL

## *Leading Money Winning Trotting Sire In New York In 2009*

With progeny earnings of \$2,445,694, Conway Hall was the leading money winning trotting sire in New York in 2009. That's not surprising, because every year Conway Hall turns out fast, sound, sensible trotters who come to their speed early and then go on to race successfully in the open ranks after their stakes seasons are over.

Although he's still a relatively young horse, he has already achieved the highest honor the sport has to give, namely siring the winner of the Hambletonian. Not to mention the winners of both the Hambletonian Oaks and multiple Breeders Crowns. He also has already sired two great sires in their own right, Broadway Hall and the ill-fated Windsong's Legacy, whose loss deprived the sport of a stallion who would have had a strong influence on the breed for years to come.

Conway Hall stands at Morrisville College, Morrisville, New York under the management of Walnut Hall Ltd. At his fee of \$10,000, he is by far the best value the rich New York program has to offer.
